Overview
Our Master of Business suite of programs is designed to give you deep specialist knowledge in particular fields of business. Some majors also satisfy the requirements for professional recognition.

The innovative structure and curriculum of our programs is unique in Australia and allows students greater choice and flexibility when designing their course. Content is continually revised to keep abreast of industry requirements and the course includes core subject areas essential to employers.

Our real world connection also includes an Advisory Committee, a group of industry professionals who combine with our senior academic staff to provide input into our curriculum and general strategic direction including a number of international members to ensure a strong global perspective.

This practical nature of our courses means part-time students can apply the concepts they are learning in the classroom directly to their workplace. Full-time students re-enter the job market armed with the latest in global management techniques.

Unique city location
The Graduate School of Business is situated at QUT's Gardens Point campus, the only university to offer the convenience of a fully serviced campus within the Brisbane central business district. We offer some of the best, dedicated graduate school facilities in the country.

Our technology support services enable you to organise your enrolment and timetable online, download class notes and access electronic references from home, office or on-campus computer labs.

Global perspectives
Our students operate in the global marketplace, so we ensure they are exposed to the international environment as much as possible.

Most of our teaching staff have international origins, education, teaching, work experience or research experience. Diverse interests, experiences and expertise create a rich learning and research environment.

Local and international guest lecturers also bring real-world experience to lecture content and their stories provide entertaining and contemporary practical examples.

We also offer the opportunity to study overseas with one of our international exchange partners through a comprehensive student exchange program.

Learning enrichment
We strive to educate current and future executives by helping you to become creative and strategic thinkers. We encourage you to take advantage of our extra-curricular activities such as peer interaction, group discussions and debates to enhance your communication skills and self-confidence.

Brisbane Executive Club is an associated organisation made up of current and past students and is recognised chapter of QUT Alumni. Its main aim is to provide a link between students, alumni and the wider business community by facilitating professional development opportunities and local and international social and business networking.
Our Fostering Executive Women alumni group nurtures the business and entrepreneurial spirit of QUT women business graduates, by providing opportunities to network, do business, and to develop personally and professionally in a positive environment.

Pathways students only
Pathways units are designed for academically qualified students who do not meet the language requirements. For further information and entry requirements for Pathways, visit www.qutic.qut.edu.au/courses/pathways/index.jsp

International students may choose to study two pathways units in:

- Applied Finance
- Integrated Marketing Communication
- International Business
- Marketing
- Public Relations
- Strategic Advertising

These Pathways units will replace two complementary studies or options units in your course program.

Optional study
An optional 48 credit points of additional study is available in the Master of Business - Advanced program (BS17). This allows you to extend your studies to suit your career interests. The additional 48 credit points may include research studies, advanced coursework studies in your chosen discipline, or the choice of studies in another business discipline. We encourage you to consult with your subject area coordinator as early as possible in your studies to determine the best way to meet your needs.

Entry requirements (domestic and international students)
For all majors except Accounting, entry requirements are an undergraduate degree with an overall minimum grade point average of 4.0 (on a 7-point scale). Students entering the Accounting major must have an appropriate degree in accountancy.

Other cognate degrees: Communications courses will be considered for Advertising and Public Relations, and Journalism courses will be considered for Public Relations. Applications based on other cognate degrees will be assessed on a case-by-case basis and will be determined by the extent of studies in the relevant area.

English language requirements
In addition to the above academic entry requirements, standard English language requirements apply. See the details for 'all degrees' at: http://www.qut.edu.au/study/applying/english-language-requirements.jsp

Pathways programs
Pathways units are designed for academically qualified students who do not meet the language requirements.

The Postgraduate Business Pathway program allows international students who have obtained IELTS 6.0 with no sub-band lower than 5.0 or TOEFL Internet Score of 80 with no sub-band lower than 20 to enter some majors of the Master of Business (BS16) and Master of Business Advanced (BS17) on the condition they undertake two Communication units (QCD111 and QCD211) in the first semester of their postgraduate business course. This option is applicable to following Majors: Strategic Advertising, Applied Finance, Integrated Marketing Communication, International Business, Marketing and Public Relations.

Please note that the Pathways option is not open to students who enter the degree with advanced standing based upon undergraduate studies.

Advanced standing for Undergraduate Studies
Students applying for admission to the Master of Business (BS16) or Master of Business Advanced (BS17) may be eligible for exemptions based on prior undergraduate studies.

If you have completed an undergraduate degree in a Business related or other cognate degree directly related to the discipline area in which you are studying within previous 5 years, you may be eligible for exemptions up to a maximum of 48 credit points. Approved exemptions will apply to introductory studies or option components in the discipline area you are studying and are not available for specified advanced units. No exemptions will be granted for non-Business related degrees, even if some business subjects may have been completed as part of the course.

New applicants may apply for the exemptions under Section 7 of the Application for Postgraduate Coursework Admission (PG form). Students who completed their undergraduate business degree at QUT do not need to supply additional documentation. Students who completed their undergraduate degree elsewhere must also submit an Application for Advanced Standing (AS form), together with original or certified copies of their final undergraduate transcripts confirming course completion.

University deadlines apply
Early exit options
Students may exit from the Master of Business (BS16) at the following stages, once those particular course requirements have been met:

• Graduate Diploma of Business (BS79) (Study Area A)
• Graduate Certificate in Business (BS39) (Study Area A)

Block exemption
Students seeking to exit early from the Master of Business course and graduate with an approved exit course should lodge an application during the teaching period in which they expect to complete their studies. Completion of 96 credit point units, where a minimum of 72 credit points are within the same discipline area, and as approved by the Subject Area Coordinator, is required for completion of the Graduate Diploma course. Students may apply to early exit with the Graduate Certificate course upon completion of a minimum of 48 credit points, in accordance with the course requirements of the relevant business discipline area.

Early exit from the Master of Business course should only be used for students whose circumstances restrict them from completing the original award course. This process is not designed to allow students to obtain multiple qualifications. Students who are approved to early exit from the Master of Business course will not normally be permitted to continue their enrolment in the original award course for a period of 2 years.
