Overview
The Master of Business (Professional Accounting) - Advanced is a two year full-time program, and like the Master of Business (Professional Accounting), is tailored to provide a formal accredited accounting qualification for graduates from non-accounting disciplines. The Advanced program offers the advantage of studying additional units in advanced topics.

If you are looking to change your career direction or enhance your career options, accountancy is a dynamic profession that will provide you with a sustainable, challenging and diverse range of career paths. Professional accountants are in increasing demand nationally and internationally by organisations throughout the commercial, public and not-for-profit sectors. Accountants can work in commerce and industry, in public or chartered accounting firms, in government organisations or as individual practitioners.

Accounting is central to every business activity, and combining an accounting qualification with an existing degree in another discipline opens up a broad spectrum of career opportunities in Australia and overseas.

Course design
Students must undertake 192 credit points consisting of 144 credit points of prescribed units and 48 credit points of approved elective units. Non-standardised course progression may result in unit selection difficulties. Students should contact the Brisbane Graduate School of Business for course progression advice.

Students seeking to exit early from the Master of Business course and graduate with a Graduate Diploma should lodge an application during the teaching period in which they expect to complete their studies. Completion of eight, 12 credit point units, where a minimum of six units are within the same discipline area, and as approved by the Subject Area Coordinator, is required for completion of the Graduate Diploma course.

Students who have completed an undergraduate degree in a Business related or other cognate degree directly related to the discipline area within the last five years, may be eligible for exemptions up to a maximum of 48 credit points. For further information on exemptions, please refer to the Master of Business Advanced overview.

Some applicants may require unit substitution where they have studied the equivalent of some introductory units in their undergraduate qualification. Choice of unit substitution is subject to approval by the Subject Area Coordinator.

Other majors
See also separate entries for the following majors in this course: Accounting, Applied Finance, Human Resource Management, Integrated Marketing Communication, Marketing, Philanthropy and Nonprofit Studies, Professional Accounting, Public Relations and Strategic Advertising.

Professional recognition
Professional recognition by the industry bodies, CPA Australia, the Association of Chartered Certified Accountants, the ICAA and the NIA, is considered essential for many careers in accounting. Our close relationships with CPA Australia, ICAA, ACCA and the NIA ensure our courses are developed in conjunction with industry needs and meet the academic component of the requirements for associate membership and enrolment in their professional programs. You may also meet the academic component of the requirements for enrolment in the Graduate Diploma in Applied Corporate Governance at the Chartered Secretaries Australia (CSA) and be eligible for Associate membership of the Taxation Institute of Australia, which will enable enrolment in their Foundation Tax, Applied Tax and Advanced Tax courses.

Entry requirements (domestic and international students)
An undergraduate degree or equivalent in any field with an overall minimum Grade Point Average (GPA) of 4.0 (on a 7 point scale)
point scale).

**English language requirements (international students)**

In addition to the above academic entry requirement, international students must meet the following English language proficiency levels for entry into the Faculty's postgraduate coursework courses:

- IELTS: overall band score of 6.5 with no sub-band below 6.0; or
- TOEFL: 575 (paper-based), 230 (computerised) or 90 with at least 20 in all bands (Internet Based) (if TOEFL permitted by visa requirements).

Only non accounting graduates will be admitted to this course. This requirement may be waived for international students with an accounting degree which does not satisfy the membership requirements of the Australian professional bodies.

**Articulation**

Students who have articulated from the Graduate Certificate in Business Accounting may receive exemptions for up to 48 credit points. Students who have articulated from the Master of Business Professional Accounting may receive up to 144 credit point of exemptions.
