UNIT SYNOPSISES

AMN400 CONSUMER BEHAVIOUR
This unit provides an introduction to the area of consumer behaviour and a forum for discussion of theory and research in the field. The current state of consumer behaviour research will be reviewed and some of the emerging trends in the area are explored through several avenues of assessment. The unit provides the environment for students to conduct their own research in areas that are relevant, of interest to them and reflect the interdisciplinary nature of consumer behaviour.

Antirequisites: MIN419 Equivalents: AMX400 Credit points: 12 Contact hours: 3 per week Campus: Gardens Point and External Teaching period: 2011 SEM-1 and 2011 SEM-2

AMN401 INTEGRATED MARKETING COMMUNICATION
Integrated marketing communication (IMC) is a new discipline that seeks synergistic effect from integrating traditional marketing communication disciplines. This unit explores the development of IMC, looking at reasons for growth, barriers to implementation and organisation issues. Students are introduced to the strategic foundations of IMC, from consumer behaviour, to marketing strategy, to IMC campaign evaluation. The disciplines of advertising, public relations, direct response and sales promotion are then explored to highlight how each contributes to IMC planning.

This unit provides a detailed overview of marketing research to support decision making in the areas of advertising, integrated marketing communication, marketing and public relations. The unit builds an advanced understanding of the use of survey research to support the descriptive and predictive information needs of management in such areas as consumer opinions and behaviour, and stakeholder analyses. Students will explore issues related to survey research design, questionnaire development and administration, sampling, measurement, data analysis including descriptive and multivariate statistics and presentation of research results.

Antirequisites: MIN413 Equivalents: AMX403 Credit points: 12 Contact hours: 3 per week Campus: Gardens Point and External Teaching period: 2011 SEM-1 and 2011 SEM-2
