Why choose this course?
An Honours degree signals to potential employers you are someone who has exceptional ability, motivation and commitment to your field. It also clearly demonstrates to potential employers an ability to think analytically and to understand significant project management.

Overview
If applicants have shown high achievement in an undergraduate degree, the Honours program allows advanced studies in a chosen field. The capacity to conduct rigorous independent research will develop, and the advanced coursework integrates conceptual and practical knowledge within a discipline.

Meeting minimum entry requirements does not guarantee entry into this course. Admission to the Honours program will depend on the availability of supervision, infrastructure and other required resources.

Course design
Students must complete four coursework units (48 credit points) and a dissertation (48 credit points), as per the programs of study described under the individual majors.

Unit prerequisite requirements are deemed to have been satisfied upon admission to this course. Where elective units may be undertaken, students should check prerequisite requirements in the unit synopsis section of the QUT Handbook and obtain approval from the Subject Area Coordinator prior to enrolment.

Entry requirements (domestic and international students)
A completed Bachelor or course work Masters degree that includes a major in the area of intended study or a qualification deemed equivalent. Students must have achieved a grade-point average (GPA) of 5.5 or better on a 7-point scale in the relevant degree or other qualifications and experience which is considered by the Dean of Faculty to qualify for admission.

Applicants are required to nominate a supervisor and topic before submitting a formal application. Normally applications will be successful only if a supervisor and topic are well matched. The faculty does not guarantee supervision capacity for all topics. Applicants should ensure that there is a genuine fit with the potential supervisor’s research interests by looking at the interests of the researchers within the relevant school as stated on the Faculty website. The Research Coordinator within each school can also assist with this process.

To assist applicants to find an appropriate supervisor, applicants should:
1. Identify supervisor’s research interests by looking at the interests of the researchers as described on the Faculty website;
2. Contact the HDR Admissions Officer within the Faculty of Business. This contact should include a transcript of academic records, the topic area which they wish to study, and if known, the name of a potential supervisor. The information will be passed onto the nominated school or supervisor.

Facilities
Full-time students are provided with modern, well-appointed office space which includes access to a shared-desk with a computer and telephone.

There are breakout areas and meeting rooms where supervisors and industry partners can meet with their students. Discussion groups and small classes are also held in the meeting rooms. These premises offer new and continuing students a work environment conducive to study and progress and demonstrate a continuing commitment to the Honours program.

English language requirements (international students)
In addition to the above academic entry requirements, international students must meet the following English language proficiency levels for entry into the Faculty’s postgraduate coursework courses:

Page 1/3
IELTS: overall sub-band score of 6.5 with no sub-band below 6.0; or
TOEFL: 575 (paper-based) or 230 (computerised) (if TOEFL permitted by visa requirements).

Further information
For further information on this course contact Honours Discipline Coordinator Dr Artemis Chang on 3138 2522 or a2.chang@qut.edu.au

The Honours Discipline Coordinator is responsible for the administration of the course, including admissions, scholarships and determining the result for the year as a whole. If you have any questions about the course or any comments, the Honours Discipline Coordinator should be your first point of contact.

Mid-year entry students
Mid-year entry students should contact the Honours Discipline Coordinator for enrolment advice and course progression details. Mid-year entry to any major cannot be guaranteed and is subject to supervisor and unit availability.
