UNIT SYNOPSES

BSN412 QUALITATIVE RESEARCH AND ANALYTICAL TECHNIQUES
This unit provides a detailed overview of qualitative research to support decision-making in business disciplines. The primary purpose of this unit is to develop a detailed understanding of the theoretical contexts in which field studies and qualitative research methods have developed and the techniques that define the approach. Students develop the ability to analyse, conduct, and evaluate qualitative research in discipline areas related to business. The unit provides a basic preparation for the development of a project, thesis or dissertation proposal based on the use of qualitative research.
Antirequisites: CON500   Credit points: 12   Contact hours: 3 per week   Campus: Gardens Point   Teaching period: 2013 SEM-1 and 2013 SEM-2

BSN414 QUANTITATIVE RESEARCH METHODS
Quantitative Research Methods is a postgraduate unit designed to introduce students to a range of quantitative research methods and their application to different research questions and types of quantitative data. Throughout the unit, students will be exposed to a wide range of quantitative research issues including survey and index development, factor analysis, multiple regression, experimental data collection and analysis, ANOVA and MANOVA, structural models, secondary data collection and analysis, and longitudinal data analysis. Each lecture will be conducted in computer laboratories to allow students the opportunity to develop their quantitative research skills using SPSS and AMOS with data provided by lecturers.
Credit points: 12   Campus: Gardens Point   Teaching period: 2013 SEM-1 and 2013 SEM-2

BSN502 RESEARCH METHODOLOGY
The purpose of this study is to provide students with a range of ideas and methods that enable them to analyse, evaluate and conduct research in discipline areas related to business. It provides an essential and basic preparation for the development of a thesis or dissertation proposal. Areas of study include research paradigms, analysis and criticism, research design, data collection and data manipulation, interpretation and presentation.
Antirequisites: BSB400   Credit points: 12   Contact hours: Flexible Mode   Campus: Gardens Point   Teaching period: 2013 SEM-1 and 2013 SEM-2

GSN481 PHILANTHROPIC AND NONPROFIT FRAMEWORKS OF GOVERNANCE
The unit explores contemporary understandings of philanthropic and nonprofit governance in the context of social, economic and political systems. It locates these understandings in various theoretical and descriptive frameworks providing students with both the knowledge and analytical skills that are necessary to reflect critically on philanthropy and nonprofit governance systems and their environments.
Antirequisites: GSN472, GSN229   Credit points: 6

GSN484 MANAGEMENT FOR PHILANTHROPIC AND NONPROFIT ORGANISATIONS
In the context of the multiple management challenges facing non-profit and philanthropic entities, this unit provides students with an introduction to contemporary thinking and practice in the effective and efficient management of organisations. While the focus is on non-profit management, wider management and organisational theory will be drawn on in order that proactive responses to situations, problems and dilemmas facing non-profit organisations can be developed by students.
Antirequisites: AMN480, GSN230   Credit points: 6
