Undergraduate international course

Bachelor of Paramedic Science - Graduate Entry

Year: 2021  
QUT code: CS43  
QTAC code: 425582  
Rank: 95  
International fee (indicative, subject to annual review): 2021: $37,100 per year full-time (96 credit points)  
Course contact: Freecall: 1800 181 848 (within Australia)  
Phone: +61 3 9627 4853 (outside Australia)  
Mon - Fri, 8.30am - 5pm

Real-world learning
Your first clinical placement begins at the end of your first year of study. We offer placements in metropolitan and regional centres throughout Queensland, as well as opportunities to travel overseas and work on shift with paramedics in other ambulance services. In recent years our students have travelled to China, the United Kingdom, Vanuatu and the United States.

Our students develop leadership skills and learn how to manage critical situations under pressure with scenario-based training alongside other emergency service providers, including the Queensland Fire and Emergency Service and the Australian Army.

Minimum English requirements
Students must meet the English proficiency requirements.

Additional fees

Additional Costs
There are requirements that you will need to meet as a student in this course. Some of these requirements have associated costs. Information is available from the Additional course requirements and costs website.

Course requirements
There are extra costs and requirements for this course including a blue card, vaccinations and placement uniforms. There are also standards regarding behavioural stability as well as mandatory requirements (medical and mental health fitness assessment) that are inherent expectations for clinical placement and to complete this degree.

Blue card: You must undergo a criminal history check for working with children and be issued with a suitability card (blue card) before commencing clinical placement/practicum in an organisation where they may work with children or young people.

The processing of your application may take several months so you must submit your blue card application to HiQ as early as possible to ensure you have your card before you begin any unit that requires contact with children. There is no charge for student blue

Placements make the best practice

QUT’s Bachelor of Paramedic Science offers three six-week placements with the option to travel overseas in your third year. The domestic placements serve as long ‘job interviews’ and help you to build industry connections while working as part of an ambulance crew to cultivate and consolidate what you’ve learned in class. I gained experience with pre-hospital births, high-velocity trauma, and multi-system medical cases. In my final year I had the privilege of travelling to Washington, USA, for a three-week placement, where I...
cards. Students who already have a blue card must register it with QUT.

Information is available from the Additional course requirements and costs website.

Note: Graduate entry students undertake a compulsory, comprehensive program during Orientation Week to ensure they are well prepared to complete studies in the final two years of the course.

International student entry
This course is not available for entry to international students.
