Kelvin Grove

#### Start months
February

A future-focussed philosophy ensures you’ll have the key capabilities to be an innovative teacher in the primary classrooms of today and tomorrow. Your professional identity will also be developed during the course and as a graduate you’ll be prepared to manage classrooms, key relationships, and your own personal wellbeing.

### Why choose this course?

Transform your prior studies and experience into a teaching qualification in just two years. If you have a bachelor degree in a field other than education this course can offer a pathway to a rewarding career in teaching.

Bring your passion for knowledge and your work and life experience to the teaching profession. Curriculum studies will prepare you to use your existing knowledge to develop and plan effective teaching strategies to respond to the diverse needs of your students. Key capabilities in classroom and behaviour management will be developed before you undertake your first Professional Experience in a school setting.

You will engage in up-to-date and relevant learning experiences designed to prepare you for your new career. You will have opportunities to develop and reflect on your own professional identity and explore the range of possible career directions available to you.

### Flexible delivery

Choose the part-time or full-time course to suit your circumstances and lifestyle. You can study on campus or online, depending on your preferred learning style.

Evening classes may be available for some units.

### Real-world learning

Professional experience placements will give you the opportunity to work in real school classrooms.

### Entry requirements

**Academic entry requirements**
A completed recognised three year bachelor degree (or equivalent) not in a course leading to teacher registration in Australian or New Zealand.

### Kathleen Liddle

**Develop your skills and confidence**

‘QUT made me think and be creative with how I structure and manage my classroom. This has made me confident to take calculated risks and try different things to engage my students. The behaviour management techniques I learned at QUT and the real-world connections I made helped me secure a teaching position.’

---

**Accurate as at 13/10/2019. For the latest information see:**
Applicants must have completed eight semester units (one year of full-time study) relevant to one or more learning areas in the primary school curriculum. Primary school curriculum areas are English, mathematics, science, humanities and social sciences, the arts (music, drama, dance, media arts and visual arts), languages, health, physical education and technologies.

**Additional entry requirements**
Applicants must demonstrate possession of key competencies outlined by the Australian Institute for Teaching and School Leadership (AITSL) as those attributes and motivations common to effective teachers.

You must complete an online questionnaire to demonstrate your motivation for and understanding of, the course and profession. Details are available from the QTAC initial teacher education webpage.

**Selection ranks**
You will be considered solely on the basis of selection ranks from your prior degree studies plus any postgraduate studies you may have undertaken. Other qualifications and experiences may be allocated selection ranks for entry to other QUT courses, but will not be considered for this course.

**Real-world facilities**
Experience the new Education Precinct at the heart of Kelvin Grove campus. With five levels dedicated to world-class teaching, you’ll have access to imaginatively designed face-to-face and online interactive learning spaces. A centrepiece of the Precinct is the Sphere, a digital LED globe suspended over two floors with a changing menu of innovative visual content.

To prepare you to be an inspiring, innovative and confident teacher for the future, you’ll be able to experiment and innovate in preparation for professional experiences in schools. The spaces facilitate just the right balance of collaborative learning, interaction and quiet individual research.

Our expert teaching staff will inspire you to push boundaries, be curious and innovate. Qualities you will in turn foster in the students you teach.

**Customise your degree**
As this course qualifies you to teach from Prep to Year 6, you will undertake a primary specialisation as required by the Australian Institute for Teaching and School Leadership (AITSL) in either maths/numeracy, science or English/literacy. This will enhance your skills in national areas of priority for a primary school setting.

**Careers and outcomes**
As a primary specialist, you will be prepared to teach all years in a primary school (Prep to Year 6). Your qualification can also allow you to work in other locations in Australia and overseas.

**Professional recognition**
This course meets professional teaching standards for the Australian Institute for Teaching and School Leadership and Queensland College of Teachers.

Graduates are eligible to apply for teacher registration.

**Course requirements**

**Literacy and numeracy**
You will need to successfully complete the National Literacy and Numeracy Test for Initial Teacher Education Students to graduate from the course. You are permitted three test attempts in total for each component as a student at QUT. If you fail three test attempts for each component, you will not be able to graduate. You are not eligible to apply for a place in the course if you have failed two test attempts for one or more components, at another institution. The test will assess your personal literacy and numeracy skills. QUT provides you with one reimbursement to cover the cost of the test.

For more information view additional course requirements.

**Fees**

**HECS-HELP**
You may be eligible for HECS-HELP, a loan scheme to help you pay your course fees, if you are an Australian citizen or hold an Australian permanent humanitarian visa. For other conditions read the HECS-HELP information.

**Student Services and Amenities Fee**
You’ll need to pay the student services and amenities fee as part of your course costs. You may be eligible for SA-HELP, a loan scheme to help you pay your student services and amenities fee, if you are an Australian citizen or hold an Australian permanent humanitarian visa. For other conditions read the SA-HELP information.

**Scholarships**
You can apply for scholarships to help you with study and living costs.

- Equity scholarships scheme

**Advanced standing**
If you intend to apply for advanced standing (credit) you can view more information and find out how to apply.

**Early exit**
If you decide you do not wish to complete a course that leads to teacher registration you can consider an option to exit with a Graduate Diploma in Educational Studies as an alternative education qualification.
