Why choose this course?
Gain a distinct career advantage by adding a highly respected business qualification to your credentials.

Overview
Our MBA is the first and so far the only MBA in Australia to have triple international accreditation. It was also equal first in Australia to be accredited by the Association of MBAs. This means your qualification is recognised for its high quality, wherever your career takes you. In addition to our exclusive triple accreditation, our MBA is the only Queensland MBA to have been ranked in the Financial Times Global Top 100 programs and is one of only three in Australia to have ever made the list. It is also ranked in the top ten Australian MBA programs by the Australian Financial Review's BOSS magazine.

Our real world connection also includes an Advisory Committee, a group of industry professionals who combine with our senior managerial staff to provide input into our curriculum and general strategic direction.

Flexible course design
The innovative structure and curriculum allows students greater choice and flexibility when designing their course. The extensive foundation component comprising 16 core units, supported by a choice of 13 contemporary areas of specialisation, enables students to customise the program to meet their individual goals.

Six teaching periods per year provides students with the flexibility to balance study with their other commitments. Content is continually revised to keep abreast of industry requirements and includes core subject areas essential to employers.

Unique city location
Brisbane Graduate School of Business is situated at QUT's Gardens Point campus, the only university to offer the convenience of a fully serviced campus within the Brisbane central business district. We offer some of the best, dedicated graduate school facilities in the country. Our technology support services enable you to organise your enrolment and timetable online, download class notes and access electronic references from home, office or on-campus computer labs.

Global perspectives
Our students operate in the global marketplace, so we ensure they are exposed to the international environment as much as possible. Most of our teaching staff have international origins, education, teaching, work experience or research experience. Diverse interests, experiences and expertise create a rich learning and research environment. Guest lecturers also bring real-world experience to lecture content and their stories provide entertaining and contemporary practical examples.

We encourage students to work together and use their entrepreneurial skills and abilities to compete with universities around the world at international business competitions. These initiatives enhance the quality of entrepreneurship and management education, increase the rate of success for new ventures and extend national and international networks for young entrepreneurs and educators. We also offer the opportunity to study overseas through a comprehensive student exchange program.

Learning enrichment
We strive to educate current and future executives by helping you become a creative and strategic thinker. We encourage you to take advantage of extra-curricular activities such as peer interaction, group discussions and debates to enhance your communication skills and self-confidence.

Brisbane Executive Club is an associated organisation made up of current and past students and is recognised chapter of QUT Alumni. Its main aim is to provide a link between students, alumni and the wider business community by facilitating professional development opportunities and local and international social and business networking.

Our Fostering Executive Women Alumni group nurtures the business and entrepreneurial spirit of QUT women business
graduates, by providing opportunities to network, do business, and to develop personally and professionally in a positive environment.

Career impact
QUT’s innovative and flexible MBA program is designed for working professionals who are seeking to broaden their business knowledge and advance their career opportunities. The practical nature of our courses means part-time students can apply the concepts they are learning in the classroom directly to their workplace. Full-time students re-enter the job market armed with the latest in global management techniques.

Course design
Students must complete 14 core units and two integrative core units of six credit points each and a further 48 credit points of optional units, which may be selected from any of the MBA concentrations or minors. Other postgraduate units may be undertaken with the Course Coordinator’s approval. Students may be able to complete multiple concentrations and minors through careful selection of optional units.

Entry requirements (domestic and international students)
To be considered for admission, applicants must:
• demonstrate proficiency in the English language
• hold a Bachelor degree in any field from a recognised university with a minimum grade point average (GPA) of 4.5 on QUT’s 7-point scale
• have a GMAT score of at least 550
• have a minimum three years full-time equivalent relevant managerial or professional work experience post degree
• provide two referee reports (on proforma provided).

For further details on the admission criteria, please refer to How to apply.

Special entry
Exceptional career accomplishments may be considered in place of a Bachelor degree. Successful exceptional applicants may be admitted to the Graduate Certificate in Business Administration and may later articulate into the MBA program under existing articulation rules (i.e. achievement of a Grade Point Average (GPA) of 4.5 or greater).

Scholarships
We offer a number of merit-based scholarships to exceptional successful applicants to the MBA and MBA (Major) programs. Eligibility for a scholarship is based on GMAT score, undergraduate grade point average, work experience, plus a written supporting statement from the applicant.

Advanced standing
Advanced standing may be granted only if the course units for which the advanced standing is being sought have been completed in the last five years from an accredited business school or university (e.g. AACSB, EQUIS, AMBA). Advanced standing may also be granted at the discretion of the Graduate Studies Director under the following criteria:
1. The business school or university is highly ranked by an international publication or agency
2. There is a pre-existing exchange/cross-institutional agreement
3. The applicant is considered to be in the top third of his/her class cohort or has a GPA of 5.75 or more on a 7-point scale.

Articulation
Students may articulate from the Graduate Certificate in Business Administration into the MBA provided they have a minimum GPA of 4.5.

UNIT SYNOPSISES

AMN401 INTEGRATED MARKETING COMMUNICATION
Integrated marketing communication (IMC) is a new discipline that seeks synergistic effect from integrating traditional marketing communication disciplines. This unit
explores the development of IMC, looking at reasons for
growth, barriers to implementation and organisation issues.
Students are introduced to the strategic foundations of IMC,
from consumer behaviour, to marketing strategy, to IMC
campaign evaluation. The disciplines of advertising, public
relations, direct response and sales promotion are then
explored to highlight how each contributes to IMC planning.

**Antirequisites:** AYN416    Credit points: 12    Contact
hours: 3 per week    Campus: Gardens Point    Teaching
period: 2010 SEM-1 and 2010 SEM-2

**AMN403 MARKETING AND SURVEY RESEARCH**

This unit provides a detailed overview of marketing research
to support decision making in the areas of advertising,
integrated marketing communication, marketing and public
relations. The unit builds an advanced understanding of the
use of survey research to support the descriptive and
predictive information needs of management in such areas
as consumer opinions and behaviour, and stakeholder
analyses. Students will explore issues related to survey
research design, questionnaire development and
administration, sampling, measurement, data analysis
including descriptive and multivariate statistics and
presentation of research results.

**Antirequisites:** MIN413    Credit points: 12    Contact
hours: 3 per week    Campus: Gardens Point    Teaching
period: 2010 SEM-1 and 2010 SEM-2

**AMN430 INTERNATIONAL LOGISTICS MANAGEMENT**

This unit introduces international logistics functions and
develops a strategic approach to international business
transactions and integration focusing on supply chain
management. The unit introduces traditional and
contemporary logistics concepts and describes international
logistics operations including global transport systems,
ierontory management, materials handling and information
management. Global supply chain management cases and
strategies are integrated throughout the unit.

**AMN431 MARKETING INTERNATIONALLY**

In this unit students are exposed to the theoretical and
planning aspects of marketing internationally. Through an
applied approach, theoretical issues such as segmentation
of international markets, life cycle, contingency and network
approaches to international market entry choice, and market
development and extension are addressed. Planning issues
cover the strategic marketing processes involved, including
international market research, and their application to
regions and countries primarily in the Asia-Pacific region or
Europe. Students are trained in the practical application of
these theoretical and planning aspects through the
development of an extensive international marketing plan.

**Antirequisites:** MIN421    Equivalents: IBN421    Credit

**AMN461 CORPORATE MEDIA STRATEGY AND TACTICS**

This unit examines theories underpinning mass media and
links these with the practice of public relations media tactics.
Students analyse techniques and skills used in liaison with
electronic media, print media, trade media and news media.
Producing and evaluating communication materials such as
news releases, features and media kits forms an important
part of this unit. Students develop strategic thinking through
analysis of contemporary media case studies.

**GSN425 LEADERSHIP DEVELOPMENT**

This unit builds upon GSN415 to develop leadership ability, utilising a conceptual framework for self-understanding and the development of the requisite knowledge, skills and attitudes required to lead successfully in contemporary society. It is designed to allow individuals a better understanding of their own capacities as leaders. Individuals will learn the principles of effective leadership and how their own style affects leadership, decision making, vision building, organisational culture and the use of power. The focus is on the development of self-awareness and the improvement of the individual's capacity to understand,
New ventures often start successfully but then flounder as rapid growth leads to problems in production, distribution, product quality, employee morale, cash flow or financing. Management's ability to make the transition from the new, small firm to a rapidly growing company is critical to its success. If the firm is to survive the entrepreneur must navigate the transition from 'hands on' involvement in every aspect of the business to a more detached management role.

**Prerequisites:** GSN405  Credit points: 6  Contact hours: 3 per week  Campus: Gardens Point  Teaching period: 2010 6TP2 and 2010 6TP6

**GSN434 VENTURE CAPITAL**

This unit considers, in the Australian and global financial market contexts, the operation of the venture capital industry and its rationing of relatively scarce risk capital among relatively abundant demands for new venture funding. Students gain an understanding of how the venture capital industry works and the criteria by which funds are committed to the support of new ventures. Students increase their ability to distinguish the less risky and more profitable investment opportunities from the more risky and less remunerative opportunities that may also be presented to venture capitalists.

**Prerequisites:** GSN413  Credit points: 6  Contact hours: 3 per week  Campus: Gardens Point  Teaching period: 2010 6TP4
