Overview
This professional double degree is in high demand.

As media consumption moves from mass publications to incorporate individually streamed mobile content, there has never been a more exciting time to consider a career in journalism.

From free newspapers at the railway station, to hand-picked content delivered to your PC, news is more available in a wider variety of formats. With long-standing success in print and broadcast and a commitment to online and mobile technology, QUT can prepare you for the full range of journalism career options.

As a student at the QUT School of Law you will benefit from innovative teaching methods and facilities and will be taught by a dedicated, highly experienced team of professionals: full-time academics with solid professional and community experience and practising legal professionals with specialised expertise.

Approximately 90 per cent of QUT law graduates gain employment or continue with further studies such as the QUT Legal Practice Course for admission as legal practitioners.

You will have the opportunity to specialise in commercial law, corporate law, taxation law, medico-legal issues, alternative dispute resolution, public international law, Asian legal systems, feminist theories of law or environmental law.

Career Outcomes
The defining nature of the QUT Law degree is its real-world applied nature which will equip you with the high quality knowledge and skills and that meet the needs of the legal profession, government, business and industry. In developing the Law degree the Faculty recognises that graduates are increasingly seeking a broad range of careers including, but not limited to, legal practice.

The flexible nature of the degree provides students with an opportunity to undertake a series of elective streams. These streams group legal content and legal skills units into alignment with the varied career destinations which a legal education opens to graduates and will allow you to study areas of the law that match your career aspirations.

Career opportunities include private practice as a barrister and/or solicitor; work in government departments; employment as an in-house lawyer; and a range of other occupations.

The combination of journalism with law majors can equip you for specialised journalism careers in international affairs, corporate dealings, and medico-legal issues. You could find employment in the legal environment as a solicitor, barrister or in-house lawyer, with the journalism component enhancing your employability with extra writing and communication skills.

Many journalism graduates work as journalists for newspapers, magazines, television, radio and online publications. Others seek employment successfully in public relations, media management and corporate communications.

Course Structure
You will undertake 14 journalism specific units, and have a broad creative industries perspective from the two foundation units. Your journalism studies are designed to provide a broad range of journalism knowledge. You will study journalism and law units in your first four years and for
the remainder of your course you will concentrate on law studies.

The Law component is made up of 336 credit points of law subjects.

**Professional Recognition**
The QUT Law course is an approved degree for the purposes of the Legal Practitioners Admission Rules. Accordingly, it enables graduates to satisfy the academic requirements for admission to practise as a solicitor and/or barrister in all Australian states and territories. The QUT Law degree qualification is also recognised for admission purposes in West and East Malaysia, Fiji and Papua New Guinea.

QUT’s journalism degree is recognised by the Australian Journalists’ Association (AJA) section of the Media, Entertainment and Arts Alliance (MEAA).

**Deferment**
QUT allows current Year 12 school leavers to defer their undergraduate admission offer for one year, or for six months if offered mid-year admission, except in courses using specific admission requirements such as questionnaires, folios, auditions, prior study or work experience.

Non-year 12 students may also request to defer their QTAC offer on the basis of demonstrated special circumstances.
