Course structure
You undertake a supervised program of research which results in the submission of a thesis. A suite of research methodology units is available to those candidates who require them. You are initially required to complete a stage one application form at the time of enrolment. This is followed by submission of a detailed research proposal three months later. Within 12 months of admission for full-time candidates and 24 months part-time candidates, (and 15 months for international candidates), you are expected to develop a full course of study in consultation with your supervisor. This proposal is submitted to the Confirmation of Candidature Review Panel for approval. At the completion of the thesis, you are required to undertake an oral examination to present findings of the research. Once successfully completed, the thesis is submitted to the appointed examiners to be assessed.
