Additional Requirements:

Admission to the Doctor of Philosophy depends on an applicant’s demonstrated research aptitude and the availability of supervision, infrastructure and resources needed for the proposed research project.

An applicant would normally hold:
- a relevant first or second class division A honours degree or equivalent, or
- an appropriate Masters degree or Professional Doctorate (by research or coursework)

Masters and Professional Doctorates degrees by coursework must contain a significant research component, normally no less than 25%.

Holders of Masters and Professional Doctoral by Coursework must:
- have a grade point average of at least 5.0 on a 7 point scale and
- present evidence of research experience and potential for approval

Course highlights

- Make an original and substantial contribution to knowledge in business.
- Develop high level research and analytical skills, and depth of knowledge in your chosen field.
- Opportunity to graduate and follow an academic career in both teaching and research, or advance your professional career prospects.
- Complete in 3 years full-time or 6 years part-time.

Details:
QUT adopts a project management approach. PhD candidates work closely with their supervisory team to meet collegially reviewed milestones leading to timely submission of a thesis for examination. QUT is proud of its record of timely completions and low attrition rates realised by this approach.

During candidature the supervisor and other key stakeholders will provide advice and direction to the candidate to encourage their participation in university scholarly activities such as research seminars, teaching and publication. The length of the thesis varies according to the topic, but should normally be no longer than 100,000 words, excluding bibliography.
