Discontinuation
From Semester 1, 2007, a revised version of this double degree program will be introduced. This course has been recoded IX47 Bachelor of Applied Science (in Human Movement Studies)/Bachelor of Business and there have been significant changes to the course structure of this program.

Students will be permitted to remain enrolled and graduate from the existing double degree program up to the end of 2009. Students enrolled in the existing program will be given the opportunity to transfer to the new course where appropriate.

Other Majors
See also the separate entry for the following majors in this course: Bachelor of Applied Science (in Human Movement Studies)/Bachelor of Business (Accountancy, Banking and Finance, Economics, or Marketing).

Recommended Study
Any of: Maths B or C, Chemistry, Physics, Biological Science, Health Education, Physical Education, or Health and Physical Education.

Career Outcomes
The Bachelor of Applied Science in Human Movement Studies course provides skills for careers in a range of exercise and sports science settings such as corporate health and fitness, family and community services, the health and fitness industry, local/state government agencies, state sporting associations, rehabilitation clinics, institutes of sport, universities and colleges and personal training.

Advertising graduates enter the marketplace as copywriters, media planners, account executives, media representatives, product managers and researchers. Graduates of the Human Resource Management major can expect to find employment in the public and private sectors in all areas of human resource management including recruitment, training and development, international staffing, industrial relations, pay systems and strategic human resources planning. The International Business major equips graduates for careers in companies engaged in international trade, multinational companies and financial institutions dealing with international marketing and investments, and public sector careers in foreign economic relations. Management graduates may also find employment in commercial and industrial firms, banks, insurance companies, federal, state and local government agencies, small business and in management consultancies. Public Relations graduates enter the marketplace as public relations managers and consultants, editors of trade and specialist publications, speechwriters, information officers, corporate communication officers and professionals, and special events managers.

Professional Recognition
Graduates may be eligible for membership of the Australian Association for Exercise and Sports Science, and, depending on the choice of major, extended major or specialisation, graduates may be eligible for membership of:
*All majors: Chartered Secretaries Australia (CSA) -
enrolment in the Graduate Diploma in Applied Corporate Governance.
*HRM - Australian Human Resources Institute, Australian Institute of Training and Development (AITD), Australian Institute of Management (AIM).
*International Business - Economic Society of Australia, Australian Institute of Export (Qld) Ltd.
*Management- Australian Institute of Management (AIM).
*Public Relations - Public Relations Institute of Australia.

Course Design
Students are required to complete 432 credit points comprised of 216 credit points from the Bachelor of Applied Science (in Human Movement Studies) program and 216 credit points from the Bachelor of Business program.

Deferment
QUT allows current Year 12 school leavers to defer their undergraduate admission offer for one year, or for six months if offered mid-year admission, except in courses using specific admission requirements such as questionnaires, folios, auditions, prior study or work experience. Further information is available at www.deferment.qut.edu.au
