Overview
The Creative Industries Faculty has an enviable reputation as a leading provider in Queensland of outstanding teacher practitioners in the visual and performing arts.

In partnership with the Faculty of Education, the Faculty offers four-year degree programs in Dance, Drama, Music or Visual Arts that qualify graduates for registration as teachers and for employment in allied areas.

Working With Children Check
Working With Children Check - As required by the Commission for Children and Young People and Child Guardian Act (2000), student teachers must undergo a criminal history check and be issued with a Suitability Card (Blue Card) by the Commission.

As soon as you enter your enrolment program for the course, you must submit your Blue Card application to the QUT Student Centre immediately. You must hold a Blue Card to undertake activities in any unit which involves contact with children, including the required field studies blocks.

If you do not apply for a Blue Card, immediately upon enrolment in the course and allow sufficient time for the police check and issuing of the Card, you will be unable to participate in the required activities and may need to be withdrawn from the unit(s) and incur both financial and academic penalty. It may take up to 12 weeks for the Commission to issue the Card. The application form is available at student.qut.edu.au/studying/jobs-and-work-experience/work-experience-and-placements/blue-cards.

Course Design
This dual degree is structured to enable you to spend your first three years immersed in Drama and then, once completed, proceed seamlessly into 12 months of specialised teacher training in your fourth year.

You will sample life as an educator prior to commencing the fourth year with foundation units in education studies which will include practical school-based field experience.

You will also have the opportunity to choose minor studies in one other discipline during your first three years which will give you the advantage of being able to undertake study in a second teaching area and increase your teaching options. There are a large number of available second teaching areas which include dance, English, languages, mathematics, music, visual arts, business, social sciences and science education.

Professional Recognition
Graduates are eligible for registration as teachers in Queensland. Graduates looking for teaching employment in other parts of Australia and overseas may be required to meet additional conditions.

Limits on grades of 3
A new policy concerning grades of 3 came into effect from 1 January 2009 (QUT MOPP C/5.2). With effect from this date grades of 3 are no longer considered a conceded or low pass but are classified as a fail grade. Any grades of 3 awarded prior to 1 January 2009 retain the conceded pass status and will be counted for graduation purposes up to the maximum number of grades of 3 permitted for your course.

Grades of 3 incurred in units that commence after 1 January 2009 will not count towards your degree. Further information is available on the Student Services website
