In consultation with Faculty academics and mentors from industry, you will design, implement and evaluate three professional practice projects. The projects can be creative practice, professional practice or be based in creative enterprise or teaching practice.

The normal enrolment for the Doctor of Creative Industries is six semesters of full-time study. However, the period of candidature can vary depending on entry requirements.

Any grades of 3 awarded prior to 1 January 2009 retain the conceded pass status and will be counted for graduation purposes up to the maximum number of grades of 3 permitted for your course.
Grades of 3 incurred in units that commence after 1 January 2009 will not count towards your degree. Further information is available on the Student Services website
