Overview
Honours programs are an extension of undergraduate studies allowing students to specialise in their chosen field of study and explore a more focused program of activity. In many cases honours leads to research higher degree studies; however you will develop advanced competencies, skills and analytical abilities which are applicable to many types of employment in the creative industries.

Entry Requirements
Normally students will apply within the final year of their pass degree. Applicants will have completed a bachelor degree in a relevant field of study from QUT, or a comparable degree from another institution. Normally a minimum grade point average of 5.5 or higher (on a 7-point scale) is required for entry into the Honours program.

All applicants for Honours must provide the Faculty with a proposed project topic and short summary of the project and have identified a prospective supervisor from within their field of study. These applications are then subject to approval by the relevant Portfolio Director or other senior Faculty staff member.

Graduates of the Bachelor of Mass Communication may apply for the Bachelor of Media and Communication (Honours)* or the Bachelor of Journalism (Honours), subject to Creative Industries Faculty approval.

* subject to final approval

Course Structure

You will undertake a unit in research design, an approved unit option (elective) and a workshop related to your research. Your research project will culminate in a written thesis, creative work, or combination of these.
