Overview
QUT offers four-year dual awards that qualify graduates for registration as secondary teachers in Queensland and for employment in education and related creative industries fields.

Working With Children Check
Working With Children Check - As required by the Commission for Children and Young People and Child Guardian Act (2000), student teachers must undergo a criminal history check and be issued with a Suitability Card (Blue Card) by the Commission.

As soon as you enter your enrolment program for the course, you must submit your Blue Card application to the QUT Student Centre immediately. You must hold a Blue Card to undertake activities in any unit which involves contact with children, including the required field studies blocks.

If you do not apply for a Blue Card immediately upon enrolment in the course and allow sufficient time for the police check and issuing of the Card, you will be unable to participate in the required activities and may need to be withdrawn from the unit(s) and incur both financial and academic penalty. It may take up to 12 weeks for the Commission to issue the Card. The application form is available at student.qut.edu.au/studying/jobs-and-work-experience/work-experience-and-placements/blue-cards.

Career Opportunities
This course will enable you to become a qualified teacher. Graduates also work in live, recording and multimedia environments, as performers, producers, composers, developers of music software and games, DJs and music coaches. There are also pathways available for honours and professional or research postgraduate studies.

Course Design
This dual degree is structured to enable you to spend your first three years immersed in Music. Once completed, you will proceed seamlessly into 12 months of specialised teacher training.

You will sample life as an educator prior to commencing your graduate diploma with foundation units in education studies which include practical school-based experiences during your creative industries degree.

You will also have the opportunity to choose minor studies in one other discipline during your rst three years which will give you the advantage of undertaking study in a second teaching area, thereby increasing your teaching options.

Professional Recognition
This course meets the requirements for registration as a teacher in Queensland. It is recognised nationally and internationally, however additional requirements may be needed for some locations.

Deferment
QUT’s deferment policy does not apply to this course.

Limits on grades of 3
A new policy concerning grades of 3 came into effect from 1 January 2009 (QUT MOPP C/5.2). With effect from this date grades of 3 are no longer considered a conceded or low pass but are classified as a fail grade. Any grades of 3 awarded prior to 1 January 2009 retain the conceded pass status and will be counted for graduation purposes up to the maximum number of grades of 3 permitted for your course.

Grades of 3 incurred in units that commence after 1 January 2009 will not count towards your degree. Further information is available on the Student Services website.
