Why choose this course?
The School of Nursing is Queensland’s oldest provider of nursing education. The school offers a range of clinical facilities and equipment to support learning, and the opportunity to work in both local and rural settings through practical placements.

As one of the most diverse of all the health professions, a degree in nursing provides opportunities for employment in many different areas of health care including and beyond the traditional hospital ward.

As a nurse you also have the opportunity to specialise after graduation in mental health, aged care, paediatrics, midwifery, emergency, oncology and many other areas with further study.

Professional Recognition
The course meets the requirements for accreditation by the Australian Nursing and Midwifery Council. Graduates meet the requirements for registration by the Nursing and Midwifery Board of Australia and are also eligible for membership of the Royal College of Nursing, Australia (RCNA).

The Australian Health Practitioner Regulation Agency (AHPRA) requires that graduates demonstrate English language skills at IELTS level 7 or equivalent before being considered for professional registration. For further information visit the AHPRA website: http://www.ahpra.gov.au/Registration/Registration-Process/Registration-Requirements.aspx

Please refer to the Nursing and Midwifery Board of Australia website for additional information on the Board’s Registration Standards.

Student registration
QUT automatically registers students enrolled in this course with the Nursing and Midwifery Board of Australia in accordance with the Health Practitioner Regulation National Law Act 2009. Details about student registration are available from the Australian Health Practitioner Regulation Agency at www.ahpra.gov.au

Other course requirements
It is a requirement of Queensland Health that all students undertaking a clinical placement in a Q health facility complete The Essentials component of the student orientation package which is available on the Queensland Health website.

blue card As required by the Commission for Children and Young People and Child Guardian Act (2000) students must undergo a criminal history check and be issued with a Suitability Card (Blue Card) before commencing field experience/practicum in an organisation where they may work with children or young people. This is a mandatory requirement that must be met prior to undertaking any field experience/practicum program throughout your course. For more information, visit http://student.qut.edu.au/studying/jobs-and-work-experience/work-experience-and-placements/blue-cards.

additional costs The clinical practice units require students to undertake block practicums of two or more weeks duration. Block practicums may be scheduled during semester breaks. Students will be required to wear a uniform including suitable footwear while on clinical practice, the cost of which is approximately $150. Students enrolling in this program are required to complete a course of vaccinations for Hepatitis B before commencing their clinical
practice units. They are also required to have a current Senior First Aid Certificate or the equivalent prior to commencement of Clinical Practice 1.
